

Dear Camp Hi-Sierra Leaders, Parents, and Scouts,

Please remember to PRINT and bring with you your ABC Medical form, COVID negative test results or a copy of your vaccination card if you are a youth, if you are an adult you need a copy of your vaccination card. Additionally, to speed up the medical check-in process, please combine these documents together as a per-person packet rather than separate medicals, vaccines, and test results.

For example, "person A" should have ABC medical, vaccination card/test result all together.
