Parents Commitment to Transport

Prepared. For Life.®

Medical Check-In

Have the medical form, shooting form, and commitment to pick-up (sorted by Scout) out when the troop arrives.

Please do not staple your health forms.

Don't forget to check the Tetanus (Tdap) immunization. It's good for 10 years

Prescriptions must be in the *original* bottle.

★ Locked medical box to each campsite. Refrigerated medications can be stored at the Health Lodge. Epi-pens and rescue inhalers stay with Scout.

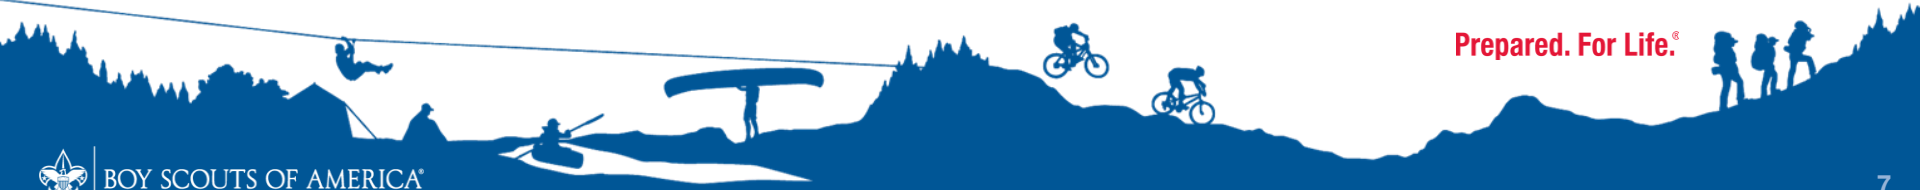

Prepared. For Life.®

2024 COVID Policy

To ensure that all participants attempt to stay healthy here is the Council's protocol for COVID-19 prevention:

- **Anyone who has cold/flu/COVID symptoms (cough, fever, abdominal pain) should not come to camp.**
- **COVID test kits will be available at the Council Service Center after May 15th, it is recommended participants test immediately prior to coming to camp.**
- **Those who test positive while at camp must go home ASAP.**

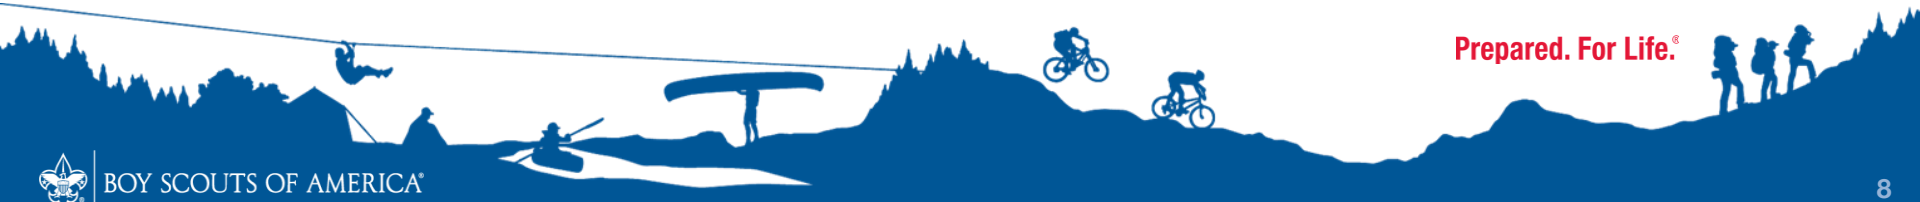

Prepared. For Life.®

Black Pug - How To Use

[CLICK TO LOG IN TO BLACK PUG ACCOUNT OR CREATE NEW ACCOUNT](#)

We are modernizing! The Council has begun the transition to a new system named Black Pug. This exciting tool will consolidate four systems to one - streamlining event registrations, payments, check-in, and managing your unit account.

Over the next few months, you will see changes to how payments are processed at the front desk or over the phone, reserve camping, and sign up for events.

Setting Up An Account

A Black Pug account allows you to save your activity data, makes registering faster, and access your unit account if you have a leadership role in your unit. Below is how to get started! If you are a committee chair, make sure to register with the email address on file in my.scouting.org so that it automatically syncs you with your unit.

Introduction to Outdoor Leader Skills (S11)

Event Details

*****NEW THIS YEAR*****

Trained We're going to begin by having a Zoom call on Friday night **March 8th, 2024 from 7-9 p.m.** with a course overview and intro, the Patrol method, flag etiquette, LNT, and review of things to bring for the in-person sessions.

Trained On Saturday **March 9th, 2024**, we'll assemble at Chesebrough at 8 a.m. for check-in, campsite selection and setup, and gather at the lodge for continental breakfast and begin instruction.

Please bring a completed BSA Annual Health and Medical Record - Parts A, and B, # 680-001, 2019 Printing, http://www.scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf

Please wear your Scout uniform, and bring rain gear and layers, as the weather may change rapidly in the Santa Cruz mountains (and it's never the same as in the valley). Please bring a mug and/or water bottle, Scout BSA Handbook and pen & paper. Please eat dinner before you arrive, or bring a "no-prep" meal with you. We will provide the ingredients, and you will prepare all your meals for Saturday and Sunday.

The Patrols (this means you) will be putting on a Campfire on Saturday. Bring some ideas/skits/songs/stories/run-ons, etc. to aid the process. Please let us know if you have any physical limitations, special dietary or medical needs so we can Be Prepared before the course begins.

You will be outdoors most of the time. Your campsites will be about 200 yards (uphill) from the parking area.

Overnight gear, outdoor essentials and appropriate clothing are the heart of camping equipment. Please refer to the Scout BSA Handbook, chapter 9, "Camping."
